

Recommendations on integration of radiation therapy with targeted treatments for breast cancer consensus meeting

Florence (IT), 16-17th June 2023

Grand Hotel Mediterraneo, Lungarno del Tempio, 44

Under 40 Award Contest

Fondazione Radioterapia Oncologica onlus will provide three free registrations for best "Under 40" proposals on **future perspective studies on clinical or preclinical advances for breast cancer multidisciplinary treatment**.

Three fellowship (for under 40) will be awarded by the Scientific Faculty including registration, dinner with the faculty, and 2 Hotel nights.

Those interested should send a short CV and the project letter (template enclosed) within March 31st to

clinicaloncologyevents@gmail.com.

The organizing secretariat will confirm the award of the fellowship within April 28th and proceed with the organization of logistics.
